**DECLARATION OF TERRENCE WILLIAM TULL IN SUPPORT OF PRELIMINARY  
INJUNCTION**

Pursuant to 28 U.S.C. § 1746, I, Terrence William Tull testify that:

1. I am over the age of 18, am competent to testify, and declare the following facts based on my own personal knowledge. If called upon to testify before this Court I would do so to the same effect.

2. I am currently a resident of the State of Texas and I am a duly registered voter in Hays County. I am 72 years old.

3. In Texas's 2018 General Election, I submitted an absentee ballot application, and then received a ballot to vote by mail.

4. I filled out my vote by mail ballot, sealed the envelope, and signed the outside flap. I then timely mailed my ballot to the county board of elections to be counted.

5. After the election, I learned that my ballot for the 2018 General Election had been rejected because my signature did not match.

6. I did not know that my ballot had been rejected until after the election. Had I known and been given an opportunity to address the issue, I would have explained that I in fact cast my vote. I had in fact called Hays County and spoke with an election official prior to the election and mentioned my concerns over my signature matching. I also called Hays County and spoke with that same election official after the election, who then informed me that my ballot was rejected.

7. I have two styles of signature. One is a shortened signature that I sign quickly and the other is a more formal signature that I use for legal documents.

8. I signed the voter roll when I registered to vote, and I signed my ballot for the 2018 General Election. I can understand that my different signatures may have created some confusion, but had I been contacted I could have easily clarified the situation and had my vote counted.

Under penalties of perjury under the laws of the United States of America and the State of Texas, I declare that the foregoing is true and correct to my own knowledge.
